CONFERENCE OF THE PARTIES
Third session
Kyoto, 1-10 December 1997
Item 3 (a) (ii) of the provisional agenda

COMMUNICATIONS FROM PARTIES NOT INCLUDED IN ANNEX I TO THE CONVENTION

SECRETARIAT ACTIVITIES RELATING TO TECHNICAL AND FINANCIAL SUPPORT TO PARTIES

A Synopsis

1. At its second session, the Conference of the Parties (COP), by its decision 3/CP.2, requested the secretariat to prepare a progress report on the state of advancement of activities in the area of technical cooperation, including those known as CC:TRAIN, CC:FORUM, CC:INFO and CC:SUPPORT, for consideration by the sixth session of the Subsidiary Body for Implementation (SBI) and to report to the Conference of the Parties at its third session.

2. This document summarizes and updates, in synoptical form, information concerning the above areas on which the secretariat had reported to the SBI since the second session of the COP and which included, in particular, a table showing progress in the preparation of national communications from non-Annex I Parties[1]. The synopsis contains the following tables: Table 1: "Status of preparation of national communications from Parties not included in Annex I to the Convention", Table 2: "Secretariat participation in regional workshops", Table 3: "CC:TRAIN national workshops", Table 4: "CC:TRAIN training material", Table 5: "CC:FORUM", and Table 6: "CC:INFO national Web site initiative". It should be noted that the activities referred to in decision 3/CP.2 as CC:SUPPORT are contained in a project document prepared by the United Nations Development Programme (UNDP) and submitted for approval to the Global Environment Facility (GEF).
